Cake pops recipe

Ingredients

1. 1 box of chocolate cake mix.
2. 1 tub of chocolate frosting.
3. 375g white chocolate melts
4. sprinkles
5. lollipop sticks

Method

1. First cut the prepared cake in half and crumble by rubbing the two halves together.
2. Pour in the creamy deluxe frosting and mix using a spoon.
3. Line a baking tray with baking paper and form the balls by rolling a tablespoon of the cake mix in your hands for your cake pops.
4. Put the tray in the freezer for 20 minutes.
5. To melt the chocolate, put a saucerpan of water one-third full on the stove. Bring to the stove and melt the chocolate in a heat-proo
