

Hello children,

I hope that you are all well and that you enjoyed Sports Week. I received some fabulous photos and activity sheets, as did Mr. Dunphy, so well done to all who participated.

Thank you also to the children who emailed me their Maths and English work. I enjoyed reading your responses to the novel and I am glad that you liked the book!

This week's work plan is short and interesting and I would love you to engage with it!

I hope to see you all on Wednesday when you are returning your books. Please ensure that those of you who collected your book boxes **return the whiteboards also. Don't forget to return "Kensuke's Kingdom"**! I will be returning your Art folder and some English and Gaeilge work. Looking forward to seeing you on Wednesday.

Slán go fóill,

Ms. Teehan

A Time To Remember – Your Story

Kilkenny Memories of COVID-19

Kilkenny County Council Library Service is inviting people to send in their memories, experiences and observations of the COVID-19 to be included in as a community memoir on our [digital archive](#), and preserved for future generations.

When submitting, people could think about our personal experience and how we are dealing with situations in our daily lives, how have our priorities changed, what is more precious to us now, what do we miss and what are we thankful for.

We will also create a Kilkenny Covid Kids Zone here, where materials received from children up to 12 years of age will available on the digital archive.

These can be sent to us in a range of formats: -

- Written (poems, short stories, short anecdotes, letters, diary entries)
- Visual (art, drawings, photos)
- Multimedia (short video, podcasts, recordings)

We can accept printed material up to A4 size.

All material will be quarantined after receipt as per public health guidelines. A copyright form will be required to be completed to ensure compliance with copyright legislation, and is available to download [here](#).

For further information, contact info@kilkennylibrary.ie or phone 056 779 4160

The latest date for submission is Wednesday September 30th but we will be adding material to the collection as we receive it.

To unsubscribe, email info@kilkennylibrary.ie

Having read the details above, I would love you to complete some work based on your experience of Covid-19.

It could be a short story, or a diary entry, a poem, artwork, multimedia, or a letter about your experience.

Please take care to edit your work for capital letters, full-stops, punctuation and spelling. Try to use adjectives, adverbs, idioms, etc.

Please email me, as I would love to read them. They do not have to be very long.

Bain triail as, le bhur dtoil.
