

Dear Parents,

As you are aware school will remain closed for the next two weeks due to the Coronavirus. It would be of benefit to your child if they could continue to read a page of their reader every night as usual. Continue to practice letters/sounds/ write words/ colour pictures etc. It would also be great if you could encourage your child to count and practice number writing when possible. These activities will keep your child engaged in relation to the work that is been covered in class. It would be greatly appreciated if you could keep a diary of what your child does in relation to school work, i.e. books read etc.

The 'Twinkl' website is also offering a free one month membership. This website has plenty of colouring sheets and games that you could use if you wish.

Please keep an eye out on the school website for any updates as well as texts

Kind regards, and wishing you all good health,

Mr. Doyle and Ms. Ahern.

Home Activities! Colour in all the ones you get done!
