

10th January 2021

Dear Parents,

I hope you all had a wonderful Christmas and I wish you health and happiness for 2021.

I just wanted to touch base briefly with all of you ahead of starting our online learning.

Your child will be receiving work from me as well as their class teacher each day. I am aiming to assign the same amount of work we would get through on a normal school day. The answers for this (maths) work will be posted daily for the children to self correct.

In addition to posting work on Aladdin, I am hoping to engage with the children at some stage via Zoom. Details on this will be given later in the week when we have all settled back into online learning.

I understand this is a very unusual time and I encourage you to get in contact with any queries, issues or discussion points at my email address , resourceroom.urlingfordns@gmail.com.

Looking forward to hearing from you soon,

Kind regards,

Ms Phelan
